

ALTERNATIVE INTERVENTIONS

A symposium on alternative interventions, remedies and therapies available for children with special needs.

Hear From The Experts

Gem D. Mañosa is the only certified Tomatis consultant of the Philippines. Tomatis Philippines is the first auditory training of its kind in South East Asia.

Dr. Girlmar Leones, MD, DPPS is a partner in Rosario R. Austria Health Clinic. They specialize in holistic and natural healthcare.

Arsil Gozon, OTRP is the lead Occupational Therapist and MSE Program Consultant at Quality Life Discoveries (QLD), the founder and program director of Terapiya and is the president of the Occupational Therapy Association of the Philippines.

Christian A. Cruz, MScErg, PTRP is the Aquatherapy Program Consultant and Physical Therapist of QLD. He also illustrated *Spinning*, a children's book on autism.

Libby Ferrari is one of the few practitioners of Jin Shin Jyutsu® in the Philippines.

Brought to you by:

JIN SHIN JYUTSU®

Speaker: Libby Ferrari

Jin Shin Jyutsu® is an ancient art of harmonizing the life energy in the body. It promotes optimal health and well-being, and promotes our own profound healing capacity.

TOMATIS

Speaker: Gem D. Mañosa

Tomatis is a listening therapy that uses filtered Mozart music, Gregorian chants and the mother's recorded voice. Learn how *earobics* can help language and communication skills.

AQUATHERAPY

Speaker: Christian A. Cruz, MScErg, PTRP

Aquatherapy uses the physical properties of the water to assist in patient healing and physical performance.

MULTI SENSORY ENVIRONMENT

Speaker: Arsil Gozon, OTRP

A multi-sensory environment is a specially designed room where one is exposed to a variety of lights, aromas, music and tactile objects that promote relaxation, enjoyment and exploration. The experience subtly adjusts the brain chemistry through the senses, thereby setting the tone for motivation, increased awareness and functional attention.

BIOMEDICAL TREATMENT

Speaker: Dr. Girlmar Leones

Biomedical treatment is a comprehensive individualized approach that consists of: nutritional therapy, supplementation therapy, detoxification and medication.

HOMEOPATHY

Speaker: Dr. Girlmar Leones, MD, DPPS

Homeopathy is a gently, holistic system of healing suitable for everyone. It focuses on you as an individual, treating your specific physical and emotional symptoms, to give long lasting benefits.
